SPEED REPLY

March 9, 1973

Dear Anneliese: Thank you for allowing me to answer you in this manner. Yes, it is permissible for the Chairman of the Woman of the Year to write a letter for consideration. It is hoped that every member will write a letter nominating another member for this honor. It's always a good idea, Anneliese, for the chapter to have outside judges to select the top two candidates. Then the chapter should vote on these two candidates.

If you have further questions, I do hope you'll write again.

Cordially

Kentucky Colonel Chapter, ABWA

Dear Patricia:

It was a pleasure to review the minutes for the November through February meeting. The Chapter has been given credit for the guest speakers in attendance and for the vocational talks given by the members. I was pleased to read the excellent Citizenship observance in the February minutes -- this completes requirement #8 on the Standard of Achievement schedule.

Patricia, you did a fine job of recording the January and February minutes and I'm very happy to be working with you. It was great to read about the successful Financial Forum -- this completes qualification #10 on Banner Chapter schedule.

The November-December, January, and February issues of the bulletin have been received and listed on the chapter's records. I'm sure the members enjoyed reading each issue as much as we did!

I was also pleased to receive the excellent publicity on the Financial Forum and the glossy print. Patricia, please jot down in your next minutes the name of the new Publicity Chairman.

## SBMEF (New Tax Status)

As of February 14, 1972, SBMEF has a new tax status. A favorable ruling has been received on our request that SBMEF be classified in a manner permitting full deduction of contributions for United States income tax purposes; and deduction as charitable bequests for United States estate tax purposes.

The rulings section of the Exempt Organization Branch of the Internal Revenue Service has classified SBMEF as not a private foundation, but one which is publicly supported operating foundation described in the IRS Code, section 509 (a) (1).

This classification is the same one accorded publicly supported organizations such as community funds, hospitals, churches, etc. Under it, up to 50% of an individual's gross income may be contributed and be a good deduction, and up to 5% of net income for corp. Any amount is still deductible for estate tax purposes.

SBMEF now enjoys the highest and best classification available to any organization. You need not hesitate to make or ask for contributions or bequests to SBMEF, no matter how small or large. Full tax privileges exist.
